RE: Reeves Contracting

To whom it may concern,

We, C & S Paving, Inc. have had a long and productive relationship with Reeves Contracting as a sub-contractor.

We have worked together on many different types of projects such as landfill roads, all types of utilities, apartment complexes and many roadways in the City of Atlanta.

Reeves also has qualified personnel both in the field and in their office. The estimators are very thorough and knowledgeable of the projects we have worked on with them. The persons responsible for the paperwork are extremely competent. As we all know if your paperwork is incomplete, you do not receive payment, C & S has always been paid in a timely manner, as evidence of their jobs well done.

We, C & S Paving, highly endorse/recommend Reeves Contracting! They are a dependable, knowledgeable and qualified contractor.

The following is a small list of the numerous projects we have worked together on:

Seminole Landfill
Capital Homes
McDaniel Glenn Homes
Harris Homes
Carver Homes

If you have any questions, please do not hesitate to call me or anyone at our office.

Respectfully,

Robbie Abercrombie
Vice President – Operations
