Chief Connection Officer

September 22, 2009

Mr. Bob Hail
City Manager
City of Sugar Hill
4988 West Broad Street
Sugar Hill, GA 30518

Dear Bob:

I rarely provide personal recommendations for other companies, so when I do, it's a certainty that the company has distinguished itself in rare way.

I understand that Reeves Contracting will be making a submittal for your Sugar Hill Park Expansion construction project. I have known Dean Reeves for many years, as we both live in Suwanee and he has made extraordinary contributions to our community in Gwinnett. Likewise, you couldn't hire a better lead individual than Eric Young for expert construction management and commitment to exceptional results... not to mention his exhaustive community involvement.

Reeves Contracting's reputation for excellence, integrity and superior results is unquestioned. They have consistently exceeded high expectations in their construction work on major facilities including the Georgia Dome, Philips Arena, Georgia Tech's Stadium expansion, the Georgia Aquarium and currently the new Georgia State Football Practice Facility.

I know that you and the City of Sugar Hill will be exceptionally satisfied with Reeves Contracting should you select them for this project. And on top of all that, they are one of your own- headquartered in Sugar Hill.

Please don't hesitate to call on me if I can help you in any way, 770-846-9000.

Sincerely,

Dave Williams
Chief Connection Officer
